Key sources in LexisLibrary Jordan Publishing Family Law include:

The Family Court Practice (Red Book)

The Family Court Practice covers the entire range of family business and contains all the essential materials you need to practise in the family courts. It is fully updated to include the latest case-law, full coverage of new and amended legislation, Practice Directions and guidance. It also contains fully and expertly annotated statutes and rules together with scores of unique step-by-step procedural guides, which direct you effortlessly to the relevant rules and annotation.

Family Law Reports

Family Law Reports contain verbatim reports of every important Family Division, Court of Appeal, Supreme Court and European courts case, and also includes practice directions, covering the whole range of family law, public and private child law.

Family Law

Family Law – the title of reference and record in the field of family law since 1970 – is the leading practitioner journal compiled by experts for family law professionals. The journal features the latest official guidances, in-depth case analysis and topical articles.

Family Law Precedents Service

Family Law Precedents Service provides family and child law practitioners with a comprehensive library of reliable and practical precedents designed to meet all your day-to-day needs.

An exhaustive collection of precedents for applications and orders in respect of the most common – and many not so common – family proceedings is provided, together with a range of additional documents such as client care letters, declarations of trust and cohabitation agreements.

International Family Law

International Family Law is the only English language practitioner journal dealing with the rationale and jurisprudence of family law as it affects families and individuals across Europe and the rest of the world. In International Family Law practitioners and academics share their skills with subscribers in what is a rapidly growing – but possibly daunting – area of family law. The journal features the latest official guidances, in-depth practical pieces and topical articles.
